Country Paper

Abstract

Country Paper of the Accounts Chamber of the Russian Federation for the upcoming 1st Joint EUROSAI-ASOSAI Conference (Istanbul, September 22-24, 2011) will be presented on the following Sub-theme: Basic Approaches and Challenges for Ensuring Transparency and Accountability.

The paper focuses on the Role of SAIs for Raising Awareness in Parliament and in the Society for Promoting the Reinforcement of Accountability and Transparency in Public Management.

The following issues will be touched upon in the report:

- regulatory and legal basis of the activity of the Accounts Chamber of the Russian Federation;
- legal basis for relations between the Accounts Chamber of the Russian Federation and the Chambers of the Federal Assembly of the Russian Federation as well as between the Accounts Chamber and society;
- assurance of system control of performance of the federal budget and informing the Parliament of the Russian Federation on the results of the monitoring and expert-and-analytical measures of the Accounts Chamber of the Russian Federation;
- activities of the Accounts Chamber of the Russian Federation aimed at increasing openness and securing accountability in the public management sphere;
- adaptation of Accounts Chamber of the Russian Federation reports and conclusions to general principles declared in the ISSAIs, international audit standards and methodological recommendations for their application in the public sector for the years 2012-2014.
